### School News

As we head towards the end of Term 3, I've been reflecting on my first year in school. Thank you for making it memorable and successful. Your continued support is the cornerstone of our school's achievements. I am incredible proud of the journey we've been on and I am excited to see what we can accomplish together in the future.

As a school community, the early signs of spring his time of year is a beautiful reminder of growth, not just with learning, but in confidence and kindness. This week we have been celebrating hope, joy, and the promise of new beginnings. So **Children's Mental Health Week** has come at the perfect time. It has been a huge success. We've all really enjoyed learning how to express our feelings, show empathy and compassion. We've picked up some useful relaxation tips too! **We are looking forward to seeing you all this afternoon for a chat , cuppa and some cake** so we can think about the well being of adults in our school community.

**National Number Day** has been a great, children have been having fun solving number problems in everyday scenarios!

As always, **have a lovely weekend**. Take time to rest, enjoy family time. Hopefully the sun will continue to shine!
