School News

Comic Relief. Everyone is looking very red & 80's today; some wonderful dress-ups! Thank you for your donations which we are accepting until Monday.

Thank you to everyone who attended **Parents Evening** and supporting our **Book Fair!** We will let you know how much was raised in book tokens for school shortly.

Parent Whatsapp Groups, operate independently of the school and can be a very useful way to connect parents in a particular class or year group. Most of the time, group chats will be a beneficial resource and an enjoyable place to be in. However, these same spaces also have the power to inflame; they are a potential source of misinformation and can fuel bad feeling. At worst, online parent communication groups have the potential to create unnecessary concerns. In order to prevent any offense or upset, I expect that everyone using these groups within our school community follow the guidelines:

- **Respect the ethos, vision and values of our school;**
- **Treat all members of the school community with respect – setting a good example with speech and behaviour;**
- **Approach the right member of school staff to help resolve any issues of concern.**
- **The group should never be used as a platform to air views/grievances regarding a school issue, member of staff, child or parent in the class or school; these should be directed to Miss Keitch. This list is not exhaustive but example of inappropriate usage,. Full policy to follow.**

Online Safety. This week, please find attached a leaflet with information on **TikTok** (*please note this platform is rated aged 13+*) We hope you find this useful.
