## Developing personal spirituality

---

I can...

- talk about why many people believe that creating a sacred space for worship is important eg. a special place and time in the school day
- talk about a time of prayer and reflection which has been special for me
- describe why I found a particular Bible story thought provoking
- give examples of how our school's Christian values are rooted in the teachings of the Bible.

## Developing as a leader of collective worship

---

I can...

- prepare the worship table eg. set out the candles, Bible, worship table colour, play entrance music
  - plan with others and help to lead an act of whole school worship
  - talk about why Christians celebrate Christmas and Easter
  - say the Lord's Prayer and talk about the meaning of some parts of it.
  - evaluate an act of collective worship using the school's proforma and feed back constructively
  - maintain the reflection area with others.
